

## 2010 HAIR EXTENSIONS WORKSHOP

### LEARN THE LATEST INNOVATIONS IN HAIR EXTENSIONS

FULL DAY - 4<sup>TH</sup> OCTOBER 2010 - GARDEN OF EVE  
631 REMUERA ROAD AUCKLAND

The course has been designed to equip hair stylist with the latest techniques and trends in applying hair extensions and as a result create new and strong revenue streams for your business with long term financial benefits.

#### **ABOUT SKIN WEFTS:**

Skin wefts are the new way to add volume, length and colour enhancement. No braiding, no time consuming strand by strand methods. Complete a full head in an hour. Feels flat to the touch and not easily detectable.

#### **WHAT YOU WILL LEARN:**

- How to carry out a consultation for extensions.
- How to apply Skin Wefts and working with very thin hair.
- How to Cut and Style Skin Wefts.
- How to care for Skin Wefts and how to do maintenance.
- How to price your hair extensions and up sell to your existing clients.

Your trainer, Evelyn Park from Garden of Eve, has over 20 years of experience in alternative hair dressing both in NZ and overseas. Over the last 8 years Eve has revolutionized her hair extensions technique, and now brings her secrets to you.

Eve works with a wide spectrum of clients including national and international models, TV and film personalities. You can't afford to miss this opportunity.
